March 1, 2018

Heavenly Father, during this Lenten season, give me a new and expanded vision for my life. Help me to live full of faith. Teach me to find hope in the face of adversity.

Dear Families,

As you read this, our Sixth Grade is experiencing their last night at Camp Caritas, their Outdoor Education week away. We hope and pray they are having a wonderful week and come back with lots of wonderful stories to share (and probably lots of mud on their clothes from their hikes in the woods!)

Student Expectations

Enclosed please find a very short version of our Student Expectations. While we wait for our Student Handbook to be updated to include Lumen Christi policies, these are our basic policies around student behavior. We value our partnership with you and I know you understand the importance of supporting our students to conduct themselves respectfully and in a manner that contributes to a positive learning environment. We also respectfully remind you of the uniform code and request your support in making sure your children are dressed appropriately according to the guidelines.

Staff News

I am delighted to share that Ms. Laura Ruffridge, our Fourth Grade teacher, is taking on additional responsibilities and will be supporting me in a leadership capacity as Dean of Students. Her responsibilities will include supporting the "Student Guidelines" that have been sent home today regarding student behavior and dress code. She will support our community as we embody our school pledge statement about being our best selves:

*I promise to respect all of God's creation, to try my best and to work hard each day
to follow Christ's example and to be a role model in my community
and to treat others as I would like to be treated.
I promise to be truthful, loving, and responsible for my actions,
and I promise to stay with God.*

Fun Run

Our Fun Run is coming! We had our school rally yesterday, and will have our official kickoff rally on Monday, March 5th. That day, your students will bring home their excitement and their pledge forms. Our school goal is \$30,000 as part of our fundraising requirement for operating expenses. Please support this important event as much as you can! The actual event will take place on Monday, March 26th in the yard, weather permitting. We are looking forward to our Fun Run being a fun and profitable event for our school community. Thank you in advance for your support.

Open House

Remember to mark your calendars for Open House on Wednesday, March 14th! We will begin in the gym at 6:30 PM sharp with a short presentation by Dr. Liz Guneratne regarding the plans for Lumen Christi! After that, we will open our classrooms so you can enjoy our students' wonderful work.
